ABOUT US: Prescott Powwow is a local, nonprofit event that is a celebration of Native American culture. All of the public is welcome. Approximately 3,500 people visit Prescott Powwow. It is a 3-day event at Watson Lake Park outside of Prescott. It is an alcohol and drug-free cultural event. Powwow is a way of giving back to our youth, giving them a safe place to socialize and connect to their heritage. It also strengthens them to carry those traditions and knowledge ahead to future generations. Powwows are also an event that can promote cultural understanding and awareness for the community. Prescott Powwow is operated by volunteers from the Prescott area community. For more info visit us at prescottpowwow.org.
